★ **MEET ME** *On Main* ★

## WHO WE ARE

*The Castleton-on-Hudson Main Street Association is a positive force dedicated to promoting visible change, economic growth, and community pride.*

That's our Mission Statement. What's behind it is a group of people with the passion to help our Village realize its full potential! Wouldn't it be great to see vibrant businesses on Main Street? To see people strolling, shopping, eating, and having fun? To see people enjoying the majesty of the Hudson River? To see people embracing the invitation to "Meet Me on Main"?

### MEET ME ON MAIN!

**Join the Association.**  
**Imagine what might be possible.**  
**Communicate.**  
**Encourage the neighbors.**  
**Spread the word.**  
**EVERYONE\* IS WELCOME!**

**\*You don't have to be a Village resident.**

## Will you join us and help make our Main Street something we can be proud of?

Castleton has been described as "full of potential" and a "diamond in the rough." With a tremendous natural asset like the Hudson River, a 10-minute, traffic-free commute to downtown Albany, an award-winning school district and an untapped inventory of available storefronts, the Village is poised to take off!

### Accomplishments since spring 2017:

- Raised over \$2,000 for a nautical flagpole that will greet visitors from land and sea
- Painted and distributed flower boxes
- Organized clean-up days
- Planned Main Street Day – a day of listening, conversation, fun and learning
- Conducted outreach to property owners
- Created inventory of available storefronts and outreach to potential businesses
- Held regular meetings to establish goals and priorities, and to identify upcoming projects
- Formed a 501(c)(3) with officers and board members
- Created a website ([www.castletonmainstreet.org](http://www.castletonmainstreet.org))
- Launched a Facebook page ([www.Facebook.com/COHMSA](http://www.Facebook.com/COHMSA))

### Future projects

- Bike racks at Riverfront Park
- Traffic-calming measures and other pedestrian improvements
- Façade improvements
- Riverview boardwalk
- Access to the river

Your donation will be used for projects that will both beautify Main Street and make it more desirable for new businesses, residents and visitors. We envision a Main Street that entices people to join with others in creating the kind of welcoming community we know is possible.
