# WHO WE ARE

*The Castleton-on-Hudson Main Street Association (COHMSA) is a positive force dedicated to promoting visible change, economic growth, and community pride.*

That's our Mission Statement. What's behind it is a group of people with the passion to help our Village realize its full potential! Wouldn't it be great to see vibrant businesses on Main Street? To see people strolling, shopping, eating, and having fun? To see people enjoying the majesty of the Hudson River? To see people embracing the invitation to "Meet Me on Main"?

# Will you join us and help make our Main Street something to be proud of?

Castleton-on-Hudson has been described as "full of potential" and a "diamond in the rough." With a tremendous natural asset like the Hudson River, a 10-minute, traffic-free commute to downtown Albany, an award-winning school district and an untapped inventory of potential storefronts, the Village is poised for an exciting renewal!

## ACCOMPLISHMENTS SINCE SPRING 2017:

- Raised funds to buy and install a nautical flagpole that flies the American flag and nautical code flags spelling "WELCOME HOME"; hosted a Flag Day dedication ceremony
- Established, organized and hosted an annual "Main Street Day" attended by hundreds of people
- Created a designated walking path called the "Main Street Mile"; hosted a big kickoff event
- Conducted clean up days for Main Street and Riverfront Park
- Worked on beautification of Main Street, including flower boxes with the slogan, "Meet Me On Main," fall season painting of storefront windows and solar twinkling lights for winter
- Created a website: [www.castletonmainstreet.org](http://www.castletonmainstreet.org) and a Facebook page: [www.facebook.com/COHMSA](http://www.facebook.com/COHMSA)
- Established a non-profit organization with legal 501(c)3 status and elected a Board of Directors
- Created a membership structure and maintained a list of more than 160 members
- Developed relationships with Castleton-on-Hudson government representatives and Main Street businesses and property owners

## FUTURE PROJECTS:
